

# Bulletin 2010 –T– 01

June 7, 2010

The following statements within the Sporting and Technical Regulations have been amended, and are effective immediately:

Old Regulation (as per TKC Supplement dated June 1, 2010):

**10 c)**

**The spec fuel station** is the ESSO Station located at 26233 Highway #48 and York Road #18 for races being held at Sutton. Spec fuel will be available for purchase at Centennial Park. Races held at other locations will have different spec fuel locations, which will be announced separately.

**NEW** Regulations:

**10 c)**

**The spec fuel station** is the ESSO Station located at 26233 Highway #48 and York Road #18 for races being held at Sutton. Spec fuel for Centennial Park will be the Petro Canada located at 5495 Eglinton Ave., West, Toronto (just west of the track). Races held at other locations will have different spec fuel locations, which will be announced separately.
