

Directions to Batavia International Motorsports Park

- Cross into the States via the Peace Bridge at Fort Erie. When you go through customs, stay to the right and take "190 South". ***
- Follow the highway out of the downtown core and then watch for and take "I-90 East".
- You will follow I-90 East until you take exit "48A", which is the Pembroke exit.
- After you go through the toll booth, turn right and drive up the hill to the 1st stop light and turn left.
- Once you turn left (onto Route 5), follow the road for 8.5 miles. You will see the "Willow Bend Inn" (quite run-down looking) on the left. Turn left here, onto Kelsey Road.
- Follow Kelsey road about 1 mile. You will cross back over I-90 and then immediately turn left onto Harloff Road. The race track will be on your right side.
- Most hotels/motels, restaurants and shopping centers will be in the vicinity of Exit 48, between the I-90 and NY Route 5.
